

Woodlands Primary PE Sports Grant

End of year 2025-2026: Funding total £16560

Type of Support & cost	Detail	Intended Impact	Impact July 2026		
£10659.87 Staffing – internal costs for Top up swimming & upskilling staff to deliver swimming lessons – internal CPD	Assigned experienced member of staff to support and enable weekly Primary swimming – Including training other staff to support pupils confidently in the water and top up swimming	• Allow all classes to swim safely and regularly, gaining the most out of the sessions • Increased frequency of swim sessions – pupils able to continue to swim weekly rather than fortnightly, enabling skills to be retained and developed (top up) • Confident, trained and consistent support staff • Enhanced swimming programme being offered – pupils receive Rockhopper swimming certificates for their achievements • Water safety development	Teachers reported that they feel supported and confident with support given by specifically trained member of staff who supports pupil access to the water safely, alongside manual handling advice provided by the Manual Handling Leads.		
			Pupils accessed the pool as regularly as possible.		
			The majority of the pupils made progress towards STA swim certificates. Pupils across Primary year groups continue to work towards Rockhopper, Stanley or Starfish Awards.		
			Pupils	Attended weekly swimming (when available)	Progress & ability
			Y6 – 8 pupils in total	Yes	Upper KS2 pupils developed water confidence and skills. All Y6 pupils completed and achieved a Rockhopper or Stanley level certificate. The majority of primary age pupils have received a certificate of achievement for the year 2025-2026

					Pupils from YR worked towards gaining Swim certificates. 56 Certificates were achieved across Primary in total out of 59 pupils. This is similar data to last year, marginally improved. 3 pupils did not swim due to medical needs/illness or joining Woodlands later in the school year.
£990 – External Swim Training	Training for staff to safely support pupils in the pool (STA Training)	Staff can safely and confidently support pupils in the pool during swim sessions	2 groups of staff were trained and received the STA safety Award for Teachers. This meant there were enough staff to safely support and lead swim sessions & follow Risk Assessments as required to enable pupils to access the pool to swim as regularly as possible.		
£3630.14 Floatation Aids and slings for pool use hoisting	Floatation Aids or swim slings to enable every pupil to access the pool	- All pupils from Yr-Y6 are able to access the pool for swim sessions regardless of need or barriers - Pupils and staff are confidently and safely supported in the pool	The floatation Aids and slings enable pupils with the most complex of needs to access the pool safely and make progress with their swimming or water confidence.		
£0 Membership to Surrey Special Schools Sports Association	Access to External sporting events as appropriate through the year. Access to advice and support.		Links develop with Active Surrey involving a visit with our link PE Consultant in October 2025. Advice was given regarding how to best make use of our budget and access to CPD and external sporting events. A group of KS2 pupils accessed the Panthalon event in Spring Term 2026. This event was free of charge. Pupils showed enjoyment and their motivation to participate was increased.		

Specialist equipment to support and enhance active PE Curriculum £1279.99 PE resource (yet to be delivered)	Additional equipment for pupils to support their physical development Equipment to support internal Sports Competitions (Sports Day) and to enhance PE curriculum	• New cohort of pupils having increased pleasure in physical activities and sport • Increased opportunities to develop gross and fine motor skills • Increased awareness of body, including coordination • Increased opportunities to experience & develop skills in different sports • Access to a range of sporting activities/events both on and offsite – increased enjoyment in a wider variety of activities for Physical Education	A new exercise bike is being purchased for use with a number of pupils who will benefit from this. It is too early to report on impact of this purchase as there are checks to be put in place before its use. The item has not yet been delivered. We did not hold an internal Sports Day this year due to building works project being undertaken & reduced availability to shared areas – for example the Halls.
Total spend: £16560	Actions, Aims and considerations for sustainability into next academic year: • Repair works of pool will be undertaken to ensure continued accessibility for pupils to swim regularly • Budget considerations due to the cessation of the Primary PE Funding • KS2 Cranmere pupils to access a block of swimming in 2026-2027
